PARENTAL CONSENT FORM FOR ABBREVIATED SCHEDULES SCHOOL COPY

STUDENT NAME: _____

Seniors who have gaps in their schedule may arrive late or leave early under the following conditions:

- The student must file this consent form with Ms. Gaudette, who will provide a copy to the front office
- Students arriving after 1st period must enter through the front office and sign in upon arrival prior to the start of their first class of the day
- Students must leave the building through the main office after their last scheduled class of each day and sign out of the building
- Students should not be in the building for long periods of time before or after their course schedule – students with abbreviated schedules should arrive no earlier than 10 minutes before their classes begin and should leave no later than 10 minutes after the conclusion of their classes
- Once a student leaves, they may not come back to school during the same day unless special permission has been given and a staff member takes responsibility for their supervision (i.e. SGA, NHS, Peer Leaders, Athletics, etc.)
- At no time is a student permitted to leave the building unless dismissed by the office at the time their parent/guardian has arrived to pick them up – student drivers may only leave early with written permission from their parent/guardian
- The privilege of coming late or leaving early can be revoked if abused
- It is the student's responsibility to keep track of early dismissal days and 2-hour delays in the case that their schedule is rearranged in order to attend their scheduled classes
- Students taking Dual Enrollment courses must respect their CMIT schedule **first** and are not permitted to enroll in classes that conflict with their high school schedule
- It is also the responsibility of the student to keep track of whether it is an A Day or a B Day so that they attend school accordingly

The above student has permission to:

Arrive to school late and must be on time to their first scheduled class at the times below:

A Day: _____

B Day: _____

Leave the school early after their last scheduled class at the times below:

A Day: _____

B Day: _____

Please note: on days that are in the school calendar in advance that rearrange the school schedule (i.e. early dismissals), students are expected to come to school for their regular courses even if they are at different times than usual. If there is an unexpected 2-hour delay or early dismissal that is *not* on the school calendar, students will be marked as an unexcused absence if they aren't able to make it to school and the decision whether make-up work will be accepted will be under the discretion of the student's teachers for missed classes.
