

CMIT North HS Mathematics Summer Assignments

Welcome to the 2020 – 2021 school year. All mathematics classes will have a summer assignment this year. Please find your course below and register for the appropriate Google Classroom. All details for your assignment, including due dates and grading policies, are in Google Classroom. If you have any general questions about summer assignments please contact the Mathematics Department Chair, Mr. Bruchey at nbruchey@cmitacademy.org. For any course specific questions, please contact one of the teachers listed for that course.

Course	Teacher(s)	Google Classroom Code
