Instructions:

1. Make a google doc .
2. Write each element and principle.
3. Under each, copy and paste an example of art you find online that demonstrates that element or principle.
4. Under the pictures, explain exactly HOW that element or principle is demonstrated in the piece of art you chose.
5. The pieces you choose can be any type of visual art. It can be a painting, drawing, photograph, sculpture, etc.

Save the assignment to turn in at the beginning of the school year.
