

Job Title **9th Grade Language Arts Teacher**

Location **Laurel, MD, US**

Organization Name **CMIT Academy Charter School**

Department Description

Brief Description

This is a full time 10 month position that will be responsible for providing instruction to students in 9th grade.

Detailed Description

The Language Arts teacher is responsible for preparing lessons, assignments, and instructional materials while fully implementing the goals of the annual School Improvement Plan. The teacher will establish learning objectives consistent with appraisal of student needs, curriculum framework, and knowledge of student growth and development; selects and uses appropriate instructional strategies to evaluate student progress including, but not limited to, individual/group discussions, demonstrations, modeling and multimedia teaching aids to present subject matter to students; create an engaging classroom environment that provides for active student involvement in the learning process and enables each student to achieve at the highest level; confers with parents and students regarding progress/opportunities of assigned students; arranges and participates in teacher-parent or teacher-student conferences as necessary; performs other instructional related duties as assigned.

Job Requirements

- Bachelor's degree with a major/minor in education or applicable field of education from a regionally accredited college or university is required;
- Holds or is eligible for a Maryland teaching certificate appropriate to area of assignment issued by the Maryland State Department of Education;
- Demonstrated ability to provide differentiated instructional techniques that inspire, motivate and meet the individual educational needs of all students;
- Demonstrated ability to develop and nurture an atmosphere and educational environment conducive to the intellectual, physical, social and emotional development of all students;

- Demonstrated knowledge and understanding of strategies in monitoring and evaluating student performance and developing and implementing plans to improve student performance;
- Demonstrated ability in integrating technology into curriculum;
- Demonstrated ability to work effectively with students, parents, colleagues, administrators, office staff and other members of the school community.
- Demonstrated knowledge of technology (use of clickers, tablets, and personal devices for instruction, smart board, online systems, etc.);
- Demonstrated knowledge of common core curriculum and technology integration;

Additional Details

In order to expedite the review of your background and credentials, please scan and attach the following documents to your online application:

- *Copy of your valid teaching certificate (if applicable)
- *Copy of your Praxis test scores
- *Copy of your transcripts
- *Current copy of your resume in Word Format.

Please note that original documents will need to be reviewed before an official offer of employment is extended.

Based on the settlement agreement reached in Administrator, Wage and Hour Division, U.S. Department of Labor v. Prince George's County Board of Education, OALJ Case No. 2011-LCA-00026, PGcps is ineligible to sponsor foreign nationals for U.S. employment under any temporary or permanent visa program. As a condition of employment, all applicants for employment must be qualified to work in the United States without sponsorship by PGcps. If you are not work-authorized and would require PGcps to sponsor you for a work visa you will not be considered for employment.
